Ordering Instructions

1. Locate, on our website, the item you wish to purchase and enter it on the Description line. You may enter the Item # if you know it, but that is not required.
2. Enter the quantity you wish to order.
3. Enter the total price as shown on the website x the quantity ordered.
4. Add the amounts and enter that next to Total item price.
5. If you live in NY State add 8% of the total price for sales tax. Otherwise skip this and add:
6. \$8.95 to cover shipping and handling to destinations in the United States. If you live outside the U.S. email us your order details so we can calculate your shipping charges.
7. Print the order form and mail it along with a check or money order. If you must send cash, it is usually safer to send it registered or at least certified with a signature required.

If you have any questions, you can call us Monday through Friday from 10:00 am to 6:00 pm at 607-354-4959 or email us at sales@pipeshoppe.com.

We are not including a price list because prices and availability are subject to change. If you see an item on the website (www.pipeshoppe.com) then you can be fairly certain that we have that in stock and we will honor the price listed on the website.

NOTE: If you are ordering a sale item please indicate that on the description line. Sale items may change price every week, so we need to know that you were ordering the item when it was on sale. We will honor the price seen on the website if we receive your order within 10 days of the end of the sale.
